

# Elk River Parks and Recreation Summer Concert Application

Thank you for your interest in playing at one of our summer concert series organized by the City of Elk River Parks and Recreation Department. Due to the amount of requests, please fill out the Summer Concert Application. Entertainment selections are reviewed during October-December. Those who are selected will receive a phone call.

These concerts hold tremendous value for the community and have become one of Elk River’s most popular social gatherings. Friends and families gather in the park to picnic and listen to live music. Concerts can attract an audience over 1,000 in attendance for our Riverfront Concert Series. Concerts are free to the public and supported by sponsorships from The Bank of Elk River.

The following special events are part of our summer concert series (June through August):

<p><b>Riverfront Concert Series</b>          Thursday evenings from 7:00-8:30 p.m.          Rivers’ Edge Commons Park</p>	<p><b>Entertainment in the Park</b>          Thursday mornings from 10:30-11:30 a.m.          Orono Park</p>
---	--

All concerts are held outdoors. In the case of inclement weather, the act will still go on at our rain-out location (Riverfront Concert Series in the Elk River Ice Arena and Entertainment in the Park in Lions Park Center).

Production is the responsibility of the performer to provide the sound system and sound technician at no additional costs. The Rivers’ Edge Park has a power source for 220 and 20 volt electrical outlets. Song lyrics and content must be appropriate for all ages. The park is smoke/alcohol free. No pyrotechnics will be allowed during any part of the show.

Concert applications may be returned one of the following ways:
